SHIPPING POLICY

Thank you for visiting and shopping at Elegant Elements. The following information sets out the terms and conditions that constitute our Shipping Policy.

1. Processing your Order

An email confirmation is sent to your e-mail address after placing your order. Please keep this e-mail as proof of your purchase.

2. Shipment Processing Time

Processing time refers to the time it takes for us to prepare your order for shipping.

After your payment is authorised and verified, all orders are processed within 2-40 business days. We will contact you if, for some reason, there are any delays.

However, some orders may ship within as few as 2 and some may take up to 40.

3. Shipment Locations

3.1. Domestic Only

Elegant Elements does not ship internationally at this time. We ship domestic only - anywhere in Australia.

4. Shipment rates and delivery estimates

We endeavour to get your order to you as soon as possible. Once your order is placed, an estimated delivery time will be provided to you. Delivery times are estimates and commence from the date of shipment, rather than the date of order. Delivery times are to be used as a guide only and are subject to the acceptance and approval of your order. Estimated arrival dates are not guaranteed. Weather delays and other unforeseen circumstances may impact delivery time.

Unless there are exceptional circumstances, we make every effort to fulfil your order.

(a) Express Shipping

The order will arrive within 3-7 business days after the order has been processed. There may be delays for postcodes classified as Regional or Rural.

(b) Standard Shipping

The order will arrive within 5-14 business days after the order has been processed. There may be delays for postcodes classified as Regional or Rural.

(c) **Please note:**

- (i) Business day means Monday to Friday, except holidays
- (ii) Orders are not shipped or delivered on weekends or holidays.
- (iii) Date of delivery may vary due to carrier shipping practices, delivery location, method of delivery, and the items ordered.
- (iv) Products may be delivered in separate shipments.
- (v) When placing your order, we consider these factors when calculating the Estimated Delivery Date:
 - (A) Transit Time: The amount of time it takes your order to leave our distribution centre and arrive at the local delivery carrier.
 - (B) Weight factor: Shipping costs are based on the weight of your order and the delivery method. To find out how much your order will cost, simply add the items you would like to purchase to your cart, and proceed to the checkout page. Once at the checkout screen, shipping charges will be displayed.
- (vi) We will not be responsible for wrong shipping address if you provide incorrect information.

5. Tracking Options

Elegant Elements aims to provide visibility and transparency throughout the shipment process. Once your order is confirmed and shipped, you will receive a link to track your package.

5.1. Domestic Only

All orders delivered within Australia automatically have tracking.

6. International Customs, Duties and Taxes

All orders shipping to a destination outside of Australia are subject to the import duties, fees, and taxes of the destination country. Delays in delivery may occur if your package is randomly selected by your country's Customs Department. Elegant Elements is not responsible for any possible customs and taxes applied to your order. We have no control over the process or

additional charges associated with the delivery and importation of your order (package) into your country. We do not benefit in anyway from these chargers and we work very closely with our brokers and carriers to ensure as few delays as possible. All fees imposed during or after shipping are the responsibility of the customer. You agree that you are responsible for any duty, taxes, and custom requirements or other like taxes, fees, levies, costs or expenses associated with importing products you purchase from us and shipping them internationally.

7. Damages

If there is any damage to the packaging on delivery, contact us immediately at 02 9071 7102.

8. Missing or Lost Package

There are several reasons why a package gets lost or becomes a deliver exception. We've found that, more often than not, the package is either in the building or with a neighbour. Elegant Elements politely requests that customers look in common courier hiding spots. Please take a look around and let us know if you find it. If you haven't located your order, please contact us at 02 9071 7102 to report missing or lost packages.

9. Questions

If you have any questions about the delivery and shipment of your order, contact us at 02 9071 7102 or at hello@elegantelements.com.au
